Corps of Engineers Awards Hickam Project Contract

By Honolulu District Public Affairs

(FT. SHAFTER, HI – NR-10-06) The U.S. Army Corps of Engineers Honolulu District has awarded a contract of \$11,700,000 to Miller/Watts Constructors, Inc., Honolulu, HI for the FY-05 Hot Cargo Pad project at Hickam Air Force Base, Oahu, Hawaii.

The project expands the existing Hot Cargo Pad facility with construction of two additional hot cargo pads (HCP) located on either side of the existing pad and includes a significant amount of airfield paving. Each HCP consists of a 75-foot wide asphalt concrete taxiway with 50-foot shoulders and 75-foot concrete aprons.

The project is expected to be completed in February 2007.
